

SELF-PAY AGREEMENT

We understand that medical care can be expensive for those without insurance benefits. Advanced Gynecology and Wellness, PA provides discounted rates for our uninsured patients.

Self-pay accounts are set up for patients without insurance coverage, patients covered by insurance in which the office does not participate, or patients without access to insurance identification to provide to Advanced Gynecology and Wellness, PA. It is ultimately the patient's responsibility to know if our office is participating in their plan. If there is a discrepancy with our information, the patient will be considered self-pay unless adequate insurance information can be verified.

Self pay patients are expected to pay for services at the time of the visit. Advanced Gynecology and Wellness, PA does not enter into payment plans.

I understand that Advanced Gynecology and Wellness, PA is accepting me as a self-pay patient. I understand that I am financially responsible for the charges related to my office visit. I also understand that any charges for laboratory services will be billed separately to me by the laboratory. Lab charges are separate from Advanced Gynecology and Wellness services.
